**Third Step Promises**

The Third Step Promises read:

"All sorts of remarkable things followed. We had a new Employer. Being all powerful, He provided what we needed, if we kept close to Him and performed His work well. Established on such a footing we became less and less interested in ourselves, our little plans and designs. More and more we became interested in seeing what we could contribute to life. As we felt new power flow in, as we enjoyed peace of mind, as we discovered we could face life successfully, as we became conscious of His presence, we began to lose our fear of today, tomorrow or the hereafter. We were reborn." Alcoholics Anonymous p.63

Events Chair: Our committee met, and here is our suggestion:

Depending on availability, this event would take place end of January- beginning of February. We are mindful of not running into to the District Mini Event. This even would be a Chocolate party!

Intergroup would provide the main meal; people would bring their favorite chocolate treat. And if you don't like chocolate, come for fellowship.

We would start off the night with a little 10 min session on what Intergroup is, and why it's important to support Intergroup. We will have a main speaker (local) and a 50/50. To attend the speaker will be free. We would ask for a \$5 donation per person for food at the door.

We discussed where to have this event- West End, Bettendorf community center was brought up. Both cost around \$90. We could also ask one of the groups to hold this event, to see the attendance we get to see if we need to expand it for next year.

As far as the Intergroup Main event, I have been in contact with Amy we will be in communication towards the first of the year. The contact has been signed.

In Love and Service,  
Vicki F

Newsletter Chair: The newsletter was sent by All B. on November 23, 2017, 4:30 am

Office Manager's Report: Hello from the Intergroup Office, Things are going well and business is steady. We had more 12-step calls this month than we have for a while. The volunteers and I have noticed calls have gone down a lot since people can look at the website for meeting information.

Call counts for November were 6 12-step, 92 information, 1 Alanon and 35 visitors.

**Don't forget Intergroup when you are looking for holiday gifts or end-of-the year donations.**

Remember to support the organization that saved your life! An easy way to give is to pay \$60 to be a Faithful Fiver for a whole year (or just pay \$5 per month). I know I spent a lot more than that on drinking.

Happy Holidays from all of us here at the Intergroup Office.

In love and service,  
Lisa W.

District 90: Hello Everyone, Dist. 90 changed the monthly meeting time to 6pm and will be providing Pizza tomorrow. (Dec. 5<sup>th</sup>) There are a lot of open positions still and some rearranging **happened as a result of last month's Elections.** DCM – Richard, Alt. DCM – Marty (until replacement found), Secretary – Jesse R., Treasurer – Jon (pending), Corrections – Craig (until replacement found), Treatment – Rose, Grapevine – Open, CPC – Open, PI – Pete, Literature – Open, Accessibilities – Open. We ask that you spread the word about the Open Positions so we can hopefully get them filled soon. Galesburg got the bid for the Area's Big Book Conference in Nov 2018 which worked out for the best with current low staffing of Dist. 90. We will be discussing the distribution of any extra monies tomorrow which will probably end up coming to Intergroup since the Area is doing well.

That's all I have until next month.

In Love and Service Randy C.

Webmaster: Hello Everyone, we had 1224 users which was 100 users less than last month but still makes 15 months in a row with over 1000 users. Not sure why we had that jump in Oct. All of the IA Meeting lists were the most visited pages followed by all of the IL Meeting lists and then the Events page. We had 3 noticeable spikes this month, Friday the 10<sup>th</sup>, Sunday the 19<sup>th</sup>, and Friday the 24<sup>th</sup>, which was the day after Thanksgiving. Can't explain the other 2 spikes. Last year's spike for Nov. was the Monday after Thanksgiving.

That's all I have until next month.

In Love and Service Randy C.

GROUP REPORTS:

Bettendorf: In November we had our elections but ran out of time to fill our liaison positions. The remaining positions will be filled at the December business meeting. Love and Service,

-MJ

We played the Joe and Charlie Tapes, 4<sup>th</sup> Step Section but will be returning to Speaker Meetings starting next week. We had a large donation last month, ( large for us anyway ), so we were able to just pass most of it on to Intergroup. As always, we are looking for Speakers, Sponsors and rides...

**Treatment:** Last week I spoke with Angie Ramirez at Country Oaks and she said there will be a change in requirements for our AA people going to their facility. Background checks will need to be done starting Dec 24. We are working together to get that process started in the hopes the change will be seamless. If the current volunteers can get badged by 12/24, then the two 8:00pm Country Oaks meetings are covered through March, 2018. I'm continuing to work on updating the Bridging The Gap call list. The weekly meeting (Wed. at 6:30pm) at Accordius Health at St. Mary's (nursing home located on E. Rusholme in Davenport) has 1 participant, but we know it will spread by word of mouth. Over a month ago the Intergroup office was contacted by a woman who works in an intensive outpatient treatment program for the Veterans in the QC. She is interested to see if we can bring Bridging the Gap to their groups. I returned her e-mail to say "Yes, we could", but I haven't heard back, yet. There are a group of veterans that I know from the Bettendorf Group that are willing to help. I'll keep you posted. Love & service, Sarah

**PI:** CPC/PI workshop November 18 went great. 13 attendees ate chili and pulled pork. Area PI, District CPC, Bettendorf CPC & a YPIAA presented. Thanks all who brought this together. Ben B.

**Literature:** I attended the fall conference in Sioux City. The literature workshop was small and very informative. No current Literature review or new literature. Lance the area literature chair led the meeting. Our area is very fortunate to have an intergroup. Most of the other literature chairs are actually mobile intergroup. I made a recent literature round. Meeting lists continue to be the most frequently piece of literature taken from our racks. In love and service Marie H.

I will maintain master copies of sensitive materials such as AAWS's finances which can be reviewed by local AA folks. Next forum will take place in 2019, in Detroit, Michigan. Area 20-I will attend the Winter Assembly being held at La Fox. Motions to be considered regard revisions to the NIA handbook and follow-up on the above event. District 90- The flier for tonight's pizza party and business was designed, submitted and presented in the Illowa Messenger. I will be updating information regarding district and groups that will be forwarded to the new area registrar during winter assembly. I will be at your service (those who are officers and committee chairs) regarding duties and concerns; together may we continue to grow in our commission to this organization. ## **Bill's Last Message**

### **Bill was one of A.A.'s two cofounders.**

My dear friends,

Recently an A.A. member sent me an unusual greeting which I would like to extend to you. He told me it was an ancient Arabian salutation. Perhaps we have no Arabian groups, but it still seems a fitting expression of how I feel for each of you. It says, "I salute you and thank you for your life."

My thoughts are much occupied these days with gratitude to our Fellowship and for the myriad blessings bestowed upon us by God's Grace.

If I were asked which of these blessings I felt was most responsible for our growth as a fellowship and most vital to our continuity, I would say, the "Concept of Anonymity."

Anonymity has two attributes essential to our individual and collective survival; the spiritual and the practical.

On the spiritual level, anonymity demands the greatest discipline of which we are capable; on the practical level, anonymity has brought protection for the newcomer, respect and support of the world outside, and security from those of us who would use A.A. for sick and selfish purposes.

A.A. must and will continue to change with the passing years. We cannot, nor should we, turn back the clock. However, I deeply believe that the principle of anonymity must remain our primary and enduring safeguard. As long as we accept our sobriety in our traditional spirit of anonymity we will continue to receive God's Grace.

And so—once more, I salute you in that spirit and again I thank you for your lives.

May God bless us all now, and forever. Bill W. taken from [www.aa.org](http://www.aa.org)
