We will be going out to buy the binders this month in order to start separating everything and getting it organized Looking forward to all of the anniversary parties this year as well! **Corrections:** Hello all! What a pleasure to serve in corrections! I am working on a meeting with 605 as there have been some issues with women not showing up. I have been in contact with Maureen on the corrections committee and she has assured me she has had no issues. As for Scott co jail, things are great! Lots of new men that our volunteering and that is wonderful. I have had several women connect with me on doing fri am jail meetings. I am still looking for volunteers for other meeting. Still planning on having our corrections workshop in July! In love and service Jaclyn M

**CPC:** My committee and I met with Hilary Henke, Director of Student Services and External Relations, at Trinity College of Nursing & Health Sciences 19APR2019. We brought various pamphlets and informative documents as lined out in the CPC manual. We explained our desire to provide information to nursing students surrounding the program of Alcoholics Anonymous. The college is having an event in October and Hilary expressed an interest in having AA be a part of that. She also inquired about the possibility of having us speak at one of their regular student body meetings. We expressed our hope of providing information to their students. Hilary requested additional copies of several pamphlets, A Brief Guide to Alcoholics Anonymous, Understanding Anonymity, AA as a Resource for the Health Care Professional, The AA Member...Medications & Other Drugs, & Problems other than alcohol, as well as AA schedules. Those were provided to her.

In a follow-up note from Hilary she informed us that at one time the students were required to attend an AA meeting but that requirement has been dropped as they ran into issues with open and closed meetings. She also indicated that she had passed along our information to their Dean of Students.

I am in the process of scheduling our next committee meeting at which time we are going to address the issue of the open and closed meetings.

In love and service, Park
