ALT DCM:

Greetings district 9. I attended part of the spring conference in Grinnell IA. I registered our district to attend the conference. I am sending out meeting forms to groups who do not have a GSR or a contact person. I was able to work with our area 24 delegate to get all our meetings and contact information for district 9 for the area 24 directory. The groups that do not have a GSR or a contact person are not in the directory. As soon as I get the forms back from groups that do not have a GSR or contact person I will send that information to area to update the area 24 website so our meetings are accurate. Love and service, Lee C Alt DCM district 9

Archives: Hi all, still on track and working towards getting our archives room organized. 3 ring binders will be bought soon and then we will start. Continuing to gather information from the district's groups and am looking forward to attending the spring conference! In love and service, Ronna

Corrections: Hello all! West end has asked for some more jail applications and also RCF is looking for volunteers for their Tuesday night speaker meeting. It is a men's and women's meeting and you would speak for about 20min then they open up the meeting. Please contact Tom J at 563-324-5055 if you would like to speak. It is a privilege and honor to share your story for AA. I have met with the contact at 605, Tracy, as there had been some concern with the women's meeting having some attendance issues. We discussed that I will be going in to speak to the staff as to what AA is and what AA isn't in an effort to bridge the gap with some newer staff members and AA. There is a reminder for all those that are going into correctional facilities to be mindful of your attire now that it is summer. Scott Co jail has had quite a few new men volunteers but we are looking for volunteers for women for the Monday night 7pm meeting, Wednesday night 7pm meeting, and Friday 9am meeting. Please reach out to me if you have questions or fill out an application and send it directly to the jail. I am still working on plans for our corrections workshop in July with more details to come at the July district meeting. The corrections workshop will be July 20th. I will also be attending the conference on June 8th for my workshop In love and service Jaclyn M

CPC: The committee met Saturday, 01JUN2019. We are continuing our attempts to contact the Director of Nursing at Trinity College. We are also pursuing the contact person for the St. Ambrose Physician's Assistant program at St. Ambrose. The Alanon website includes a link for professionals. We are going to review that to see if we might adopt the concept for the AA site. Along with that we are going to review the information associated with professionals on the GSO website. There is a new video available. There is a link on the 459 site. We will review the video. A few years back one of our committee members had a colleague that developed a "packet" of information for professionals in the medical community. That member is going to try to locate that information for committee review. At our next meeting, 13JUL2019, we are going to look over the yellow sheet for CPC. I will be attending the Spring workshop in Grinnell, 07JUN2019. In love and service, Park

Grapevine: There's not much of anything new to report on the Grapevine front. Unfortunately I've been pretty tied up with work and preparations for my first child who is set to arrive late next month. I sincerely hope that I will be able to dedicate more time to Grapevine and get a Workshop set up for the Quad Cities here soon. My

company is set to undergo a two week government audit from 6/10-6/21. My availability will increase once the audit is finished. In love and service, Jeremy W

Literature: In May I only stocked pamphlets at the Abbey. I will check in with Brian to see if he needs any literature for the treatment centers he visits. I will be attending the literature Workshop at the conference in Grinell this upcoming weekend. Love and Service, Kristin

PI: Greetings everyone. I will be attending the Area 24 conference next weekend. I look forward to learning as much as possible at the P.I. workshop. Having a committee will help a great deal. I have already been contacted by Sara M who I hope will help out once we figure out what will be most effective in our efforts. Phone apps are hugely popular these days. I have a meeting guide app downloaded on my phone. I made a mock pamphlet up thinking we could design something to drop off at various locations. I brought it so I could get some feedback or ideas from the District. See you at the conference. Yours in Love and Service Rick T.
