

INTERGROUP EVENT SOBRIETY COUNTDOWN DONATION CHALLENGE

Did you know that Intergroup's Primary Purpose is to perform duties not collectively provided by individual groups or Districts?

Did you know that includes managing a 24-hour answering service, providing AA approved literature as well as other recovery related literature and items, printing meeting schedules, compiling and sending a monthly newsletter, AND acting as liaison between the districts and individuals needing services with the professional community, public information, treatment and corrections?

Historically, an annual Intergroup event and group donations funded a large portion of the expenses. The pandemic has interrupted that flow of donations.

Now more than ever your INDIVIDUAL DONATIONS ARE NEEDED
TO SUPPORT THESE VITAL SERVICES!

JOIN THE SOBRIETY COUNTDOWN DONATION CHALLENGE - here's how:
Starting now and running through October 31, 2020

- **Donate a dollar for every year you've been sober.**
- **Designate your home group**
- **CHALLENGE other group members to celebrate their recovery by doing the same!**

We'll tally and post the numbers on the aaquadcities.org website!

Which groups are blessed with old-timers???

Which groups are gratefully filled with newcomers???
