Officers' Reports:

- **DCM:** Randy C. Hello Everyone, I would like to share with you a couple of items from the Virtual Winter Committee Minutes. The majority of discussion was about getting members interested in attending the Area Meetings. Nothing was decided, it was just an open forum for ideas. It was also announced that there may be some hybrid Area Meetings starting in June. The Spring Assembly will be totally ZOOM on March 13th, however, as of today, there is still no registration info. I will start emailing the Area Minutes out to everyone and they are also located on the Area Website: aa-nia.org On a personal note, it seems that the pandemic has created a “slow down” on AA as a whole. I know I have tired contacting Area Chairs and the Registrar, but the response time is very long with several attempts needed. However, if I am persistent, I do get a response eventually.

Finally, with the absence of a Liaison, I would like to mention there is an all-day Intergroup Event with several Speakers from 9am-5pm on March 20th. The flyer is on the front page of the Website. Also, some groups are opening all day and showing the event on a large screen or having computers brought in so those who have problems connecting online can still participate, “kind of a hybrid meeting.” That’s all I have until next month.

- **Alt. DCM:** Craig K. cabin fever begins at 5 with first speaker at 6 and the second speaker right after that accessible on www.aaquadcities.org

- **Treasurer:** Gene V. Beginning Balance: \$189.99, Deposits: \$100.00, Debits: \$0.00, Set Aside Monies (debit) \$161.25, New Balance/Available Funds: \$128.74, Savings/Prudent Reserve: \$449.48

We got a thank you letter from intergroup for last year’s donation of \$175.
