Office Manager's Report: Hello everyone, The office hours continue to change as volunteers change, though I am in the office every weekday afternoon from 12:30-5:30. However, I am going to be taking some vacation days and working some mornings instead of afternoons from Oct. 8-15, so call ahead or check the website at www.aaquadcities.org if you aren't sure when we are open. I need some volunteers to cover a couple of afternoons for me when I am gone, so please contact me if interested. Thanks. I would like to thank Gail S. for doing the weekend phone transfers in August. We are still in need of a telephone chair to take over these duties. We also need someone to cover these duties for the month of October, so please contact me at the office if you can help. In love and service, Lisa W. Office Manager

Web report - Hello Everyone, we had 2,779 users total but 1,444 actual users that were on the site for more than 30 sec. We had 200 more users this month which has changed our downward trend. The most visited pages were, the Meeting Guide, the Virtual Meetings Page, but then the “Who is Intergroup” slideshow jumped to the 3rd spot, from 25 visits to 450, which was 15 more than the Events Page. We did have a noticeable spike on the 7th, which was over twice that of any other day. The odd spike we have around the 3rd week wasn't there so maybe that was it. Keep checking the Events Page for any type of Group Announcements. That's all I have until next month. In Love and Service, Randy C.

Group reports:

Bettendorf: Good evening everyone! Bettendorf group continues to hold in-person meetings. Attendance is great and grateful to have had a few newcomers attend this past month. I continue to share Intergroup's need to fill the phone chair position vocally and by posting the opening along with the requirements on our Intergroup bulletin board for those interested. The group discussed and voted to continue to have masks optional, until mandated otherwise. Bettendorf group voted to add an additional open meeting on Thursdays at 5:30. The group discussed our plans for relocation and to maintain our relocation committee's members until a decision is made for the new location. Bettendorf's group 50th anniversary was celebrated this year at our annual picnic this past Sunday with a great turnout. In love and service, Bob

Big Book Study: The BBS Group is still hybrid (see aaquadcities.org for zoom link, no PW needed). Our business meeting is rescheduled from tomorrow to next Tuesday. We have allowed attendees to wear or not wear masks as they see fit. In love and service, Julie B.

Camden: We are changing our business meeting schedule from monthly to quarterly. The next Camden business meeting will be held on Saturday, November 27th at 12:15, following the 11:00 am meeting. Attendance and contributions have both been on the rise. We are now within \$300 of meeting our prudent reserve, at which time we will resume \$25 monthly contributions to District 90. - Jon

Courage to Change: Due to an increased number of covid cases and concern for members, Our steering committee called an emergency zoom meeting Monday Sept 6th at that time it was decided, effective immediately to go back to virtual meetings commencing Sept 7th. Our business meeting had been scheduled for the 7th, and it has been postponed to a later date to be announced. In love and service ☺ Nadine

Geneseo: Geneseo Group continues to show steady attendance at meetings. We will have a speaker meeting on Friday 9/24/21 @ 7pm. We are talking about an anniversary gathering at our Hall on 10/16/21. We have been updating our dwelling with fresh paint and an anonymous donor has graciously donated new flooring for our hall. Our next business meeting is Wednesday, 9/15/21 main discussion will be our gathering and the covid concerns. Love and service, Lynette W., Geneseo Group

Last Chance: Had a group conscience meeting on Aug-18. We decided to cancel the Monday, Wednesday, Friday 11am meetings. Reasons: low attendance and door not getting unlocked for the newcomer. Sept-26 is our next business meeting. –Toni S.

New Beginnings: Hello Everyone, New Beginnings Meets at Stutsman, behind RICCA at 1607 John Deere Rd. in East Moline. Meetings are currently inside; masks are required for ALL Visitors. We meet; Mon. @ 6:30pm, Wed. @ 8pm and a Primary Purpose Big Book Study, (PPBB), Sat @ 2pm. We have been getting

some Newcomers from outside of the lodge but could really use some more seasoned participants, so, if you can, please stop in and share your experience, strength and hope. Randy C.

Three Legacies: 3 legacies open speaker meeting is on Tuesdays at 7 p.m. at Central discussion in Davenport. This meeting is hybrid meaning you can join on zoom if you can't attend in person. The zoom link is available on our flier on aaquadcities.org. There is also a closed virtual meeting on Saturdays at 9 am. We are continuing to look for a location to get back to our old time and day, any suggestions of places that may accept us on Thursdays at 630 p.m. are welcome especially if there would be a space for childcare. We are still announcing the need for a phone chair at the end of our Tuesday meeting during announcements. In love and service, Katie A

DCM: Greeting's district 9, I attended the area 24 business meetings in Marshalltown August 15th. Here are some of the highlights- the west central regional forum will be September 10-13th. (I will be attending periodically throughout the weekend). Delegate highlights: - The West Central Regional Delegates Meetings have been a wealth of information from the West Central Regional Trustee and the other Delegates across our region. - GSO announced the selection of the new AA Grapevine publisher Chris C. Chris has been the interim Publisher over the last 8 months. He was chosen from a competitive pool of 20 candidates. - Change to preamble from men and woman to people in the preamble was an advisory action from the 71st General Service Conference not from the Grapevine itself. - GSO is working to revise the Corrections workbook which was also an advisory action from the conference. There were approximately 60 changes to the workbook, and 20 changes to the kit. Alt delegate highlights: - In July, Alternate Delegates of the West Central Region (7 states and 8 Areas including Iowa) presented on their respective Areas, providing history, strengths, and opportunities. - Adding and updating information regarding districts and groups. - As of 8/1/21, Area 24 currently had 658 active groups listed. Many groups that were once online are now back in person or with a hybrid option. - Just as a quick point of clarity...if one completes the form for New Groups or Group Changes via aa.org (rather than aa-iowa.org) we at the Area level unfortunately will not get looped in on that information. The way to assure that everyone (District, Area, and GSO) gets information on all additions or changes is to go through the Area Registrar (area 24 alt delegate Julie Shaw). - At my last audit, everyone who has submitted information has been entered into the Fellowship Connection system. Fall 2021 conference report- The dates are October 8th – 10th. The conference will be held at the Embassy Suites downtown Des Moines. Flyers are on aa-iowa.org. Al anon has decided to make this a hybrid conference and is requesting that we arrange for equipment for them. Al anon has agreed that those joining via zoom will pay a registration fee. We will set this option up on our cheddar.com registration process. 20 people join via zoom. It is undecided at this time if a luncheon/speaker fee will be charged for a hybrid luncheon or if a hybrid luncheon will even be an option as that will require additional equipment. They are still requesting space for 150 people per conference guidelines. They have also let me know that moving forward, they will offer a hybrid option for conferences. Please note that the minimum for the conference did increase to \$6500 since the last time we met. During the walk through our Al anon committee members requested additional space. I met with the finance committee, and we decided to reserve the entire space. This increased the minimum to \$6500. I am concerned about our finances as registration is coming in so slow. As of August 4th, we had 15 online registrations and our treasurer received \$632 in registrations. That said, our committee is working hard to get the word out to register. Please make sure to register for the conference as soon as you can. Also, just a friendly reminder that the conference is paid for by meals so please register for meals!! A few highlights from notes I took- Grapevine publisher position filled, and grapevine did not make the decision to change the preamble, it was an agenda item brought to the 71st GSC. Was an advisory action and did receive a 2/3 vote. Also, not everyone receives a packet from GSO when starting new positions. Several of our district committee member have this experience. If you did not receive a packet, please let me know. Or you can print your packets at aa.org, I can also help you get those printed. Please let me know. 2021 spring conference

storm lake numbers - 200 in attendance. Profit of 3200\$. Registration was 828\$ at the door. Coffee had a loss of 295\$. Made 3000\$ on meals. Returned 3200\$ to area for seed money. Attendance 160 AA and 50 al anon. I chose to include a detailed report of how the voting process worked at area on August 15th. I was fascinated and confused with how the process worked. And it did. Heated discussion regarding next year's 2022 area business meeting to online. Several great points were brought up- first, we have space already rented and paid for. If we cancel now, it will cost more money. Cheaper to rent space years at a time. Need equitable workload, training process is difficult. There were many great discussions, motion made to postpone, failed. Discussion people sit in front of computer and do not participate, motion to reconsider. Reopened debate needed 2/3 majority to end debate. Discussion was younger generation tech savvy. Motion defeated. We will meet in person area 24 fall conference 2022. It was an amazing process that I was able to participate in. I did vote in favor of meeting in person. Following the amount of people that come to in person meetings is larger than those who participate online at our district. Thank you for allowing me to serve. Yours in service, Lee C DCM D9

Archives: Greetings from Archives, Trivia Question: What year was the responsibility statement created? Answer: 1965 By Al S. 1947 First stirrings in England Though the first official A.A. group in England won't be formed until 1948, the ball gets rolling when a visiting American woman, Grace O., writes to five Londoners who are in touch with the Alcoholic Foundation and schedules a meeting at the Dorchester Hotel (right) for March 31, 1947. The eight attendees include two A.A. members from North America: an A.A. from Hollywood, California, whose acquaintance she had made on the voyage across the Atlantic, and "Canadian Bob," whom Grace had met in a London restaurant and who will figure large in A.A.'s growth. Meetings will continue in restaurants and residences, among them the home of Canadian Bob. 1950 A.A.'s first International Convention in July 1950, Alcoholics Anonymous' 15th anniversary is marked with an international convention in Cleveland, with some 3,000 people in attendance. One of the most significant events is the adoption of the Twelve Traditions. The convention, held at the Cleveland Public Auditorium (right), also features the last public message to the Fellowship by Dr. Bob, who stresses, in his brief remarks, kindness and "keeping it simple." We met as a committee on August 29 and have a few projects we are starting to work on. One of our committee members will start interviewing the Bettendorf Group as they are celebrating 50 years this year. We are also starting the interview process with groups that had to move from in person meeting to zoom meeting in 2020 and still 2021. We are looking for volunteers to join us here on Sept 26 at 10:30 am to sort and go through our archives. We have really cool stuff in our archives and lots of sorting that needs to be done. Please if you would like to help, please join us here at Central Discussion. I am still looking for a place to store our archives. I would like to be able to display what we have and also preserve what we have. I learned yesterday at the forum that in 2020 there were more inquires at GSO for Archives 1221 than any other. How exciting is that. In Love and Service, Sheryl F

Corrections: Greeting from Corrections, we have started the women's jail meetings back up in person. It takes place on Monday nights from 7-8p. The men will have their jail orientation September 16 and will start back up soon after that. 605 Main St. Meetings are still on hold at this time. Literature is being sent as needed to facilities. In love and service, Vicki F

CPC: Good morning friends. CPC is doing well. We did have the opportunity to share with some of the staff at Genesis about AA and I hear that went well. Soon AA will be taking meetings into the hospital setting and that is a very exciting thing. We have started back as of 9/9/21 taking information into the Robert Young Center and sharing with the Blackhawk nursing students and committee members will be going to share with another set of students on 9/16/21. I had the opportunity to speak with one of the SCC nursing coordinators and she is working on taking this possibility to the Mental Health/public health instructor and is giving him my contact # so we can hopefully start sharing with those nursing students as well. At this time, I have not heard from the other two Nursing colleges, but I will update as I hear from them. I still have not heard back from the V.A but Covid continues to keep us at a distance with medical facilities. We are always looking for people interested in service work to join our committee. Currently we have a small group of 4. The more people we have the more student schedules we can accommodate as each school and each different semester those times can and do change. I do appreciate the patience from this committee. We are having people join and then stop as the schedules do not work for them. I am grateful that we can continue to be flexible. If you or someone you know would like to join us and help share information about AA with the professional community, please contact me via text at 563-570-5301. Love and service, Shawna

Grapevine: Greetings everyone! Lots of good things going on with grapevine. New out, our latest book Prayer and Meditation. And besides our Instagram account, we now have a YouTube channel! Finding inspiration is easy. I had the pleasure of attending the West central regional conference yesterday and got to listen to Chris C the new editor for grapevine as well as John W senior editor for grapevine speak on behalf of the magazine. They shared a little bit of the history of grapevine and what they see going forward! I'll be attending the fall conference and am so looking forward to getting together with everybody. In love and service Ronna

Intergroup Liaison: Hello! Income \$1482.00 expenses \$2619.69 leaving them in the red \$1137.38 for the month. Checking \$880 savings 6359.35 total \$7239.40. Keep checking the intergroup office hours. Still looking for volunteers. Lisa will be gone oct 8-15 and needs volunteers for that week or office will close. Telephone chair is still OPEN. Events chair has secured a date for the annual intergroup event April 9th, 2022 @holiday inn Rock Island. Next intergroup business meeting is Monday October 4th @6pm (still virtual) In love and service, Erica B

Treatment: Hello from treatment! Great stuff this month as a few members from CPC and myself met the staff at Genesis West 2North where AA has been asked to bring a meeting in to the clients. We had a presentation with staff to give information and currently have a few members going through the process of getting badged to go in to 2N. At this time, Genesis has asked us to keep our volunteers to a minimum to make sure that AA and Genesis will be a good fit for each other and to work out any necessary changes. It is not being held on Wed evenings at this time. Rosecrance is going well with some new volunteers speaking this month. We are currently not going into Country Oaks. The Abbey is status quo with a few members going in per the request of the Abbey

Group Reports:

Bettendorf Group: Bettendorf Group Report August 18, 2021, District September 2021 Greetings from the Bettendorf Group to District 9! Bettendorf held its business meeting August 18, 2021, with 26 in attendance. We are continuing the search for a new location. Our search committee has identified a property across from our current meeting place at the Bettendorf Community Center. Several items have to fall into place before a lease could be finalized. We are estimating we will not be able to finalize an agreement until March 2022. (if then) Bettendorf will be changing our Thursday, 5:30 pm meeting from closed to open. We will allow children at that meeting. Intergroup, Area and GSO have been notified. In love and service, Toni F

Big Book Study - Continuing to do hybrid meetings.

Blandine: The next Blandine function will be 9/12/21 10:30am 67th Anniversary Picnic. The next business meeting will be Sunday, September 26 at Noon. Last minutes were read and passed. Treasurer Report starting \$381.27, Contributions \$75.96, Literature purchases \$56.22 Ending balance \$401.01, prudent reserve \$300. Intergroup report: Events chair is Cassidy. Bettendorf has signed a lease. Jail volunteer requirement is full. New business: \$150 for food for picnic, Bob will bring intercom, Chris will introduce speakers, Christy will introduce District 9 chairs and get thank you for speakers. Blandine Group felt Al-anon needs to remain separate from AA. The Al-anon number is listed on schedules and a member called that number 2 times and never got a call back. Lack of follow through with Al-anon is a concern. Discussion on pop sales for the building. Treasurer overruled any donation box. A machine or nothing and we didn't sell enough for Pepsi to keep machine there. Blandine, Inc has gotten the new windows installed after many delays. AA members Stephen and Bob donated many, many labor hours so new windows could be purchased. Thank you, gentlemen, for the time, talent and dedication so the building could be improved. This improvement would not have been possible without your labor! The increase in sunlight makes the room brighter and feel healthier. Future 12 step attendees will appreciate the new aesthetics. In service, Christy

The 10th Month and the 10th Step Prayer!

A 10th Step prayer for Growth and Effectiveness:

"God, please help me Watch for Selfishness, Dishonesty, Resentment and Fear. When these crop up in me, help me to immediately ask you to remove them from me and help me discuss these feelings with someone. Father, help me to quickly make amends if I have harmed anyone and help me to resolutely turn my thoughts to someone I can Help. Help me to be Loving and Tolerant of everyone today. Amen"(84:2)

Tenth Step Prayer

*My Higher Power, My daily prayer is to best serve you,
I pray I may continue to grow in understanding & effectiveness;
Help me to watch for selfishness, dishonesty, resentment and fear;
Help me to be willing to have You remove them at once;
I must be willing to discuss them with someone immediately;
I will make amends quickly if I have harmed anyone;
And then I will turn my thoughts toward helping someone else;
Please help me to remember to practice love and tolerance of others. (84:2)*

Tenth Step Amends Prayer

"God, please forgive me for my failings today. I know that because of my failings, I was not able to be as effective as I could have been for you. Please forgive me and help me live thy will better today. I ask you now to show me how to correct the errors I have just outlined. Guide me and direct me. Please remove my arrogance and my fear. Show me how to make my relationships right and grant me the humility and strength to do thy will."(86:1)
