Old business: none

New business: Randy C asked the group to consider creating a Bridging the Gap position at Intergroup. Intergroup services District 9 and District 90 and says it seems to make sense to have this position at Intergroup. He explained it's a point of contact person for folks getting out of treatment or prison. Much discussion took place about whether it needs to be a district position or how it could become an Intergroup position. BTG has traditionally been a district position handled by the Corrections/Treatment chairperson but has fallen by the wayside over the years. There was confusion as to how the districts would be kept informed, for example, would an Intergroup BTG rep need to attend District 9 and also District 90 business meetings. Would the Intergroup BTG rep be considered on both Area committees, or else which area would they be serving. The discussion is tabled until next month. Please think on it, read the BTG pamphlet, consider a description of the position, the sobriety requirement, the term, etc. Randy said he will put something together to be considered for the next meeting.

Vickie S – shared a message from AAs in the Ukraine. It was an ask for prayers, it stated they will continue to follow spiritual principles during this troubling time and ask only that we pray for them.

Below are Officer and Group reports; they were not given verbally during the meeting.

Officers' report:

Treasurer's report given by AI B.:

Income: \$1,911.91

District 9 Monthly Meeting
March 6th, 2022

Attendance:

Chairs: DCM; Alt. DCM; Treasurer; Corrections; CPC; Grapevine; Intergroup Liaison; Secretary; Treatment
Groups: Bettendorf; Big Book Study; Blandine; Courage to Change; The Three Legacies; West End

Chair Reports:

Treasurer: Beginning Balance \$5746.98; Income \$0; Expenses \$281.22; Seed Money \$300; Prudent Reserve \$300; Operating Balance \$4865.76. Motion to accept report made by: Toni F. and 2nd by: Kristen

- Discussion: Invoice from Intergroup? Not yet
- Post Office Box cost went up – Timing issue created billing issue that is being resolved.

DCM: Greeting's district 9. The agenda items were reviewed and discussed at our monthly district meeting. I covered Agenda and reports and charter. There are agenda items that are discussed every year and those are regarding topics for 2023, standing review topics for workshops and evaluation forms. If your group has any ideas for topics, please let me now and I can pass the information on. One of the topics from report and charter did get some attention in our meeting: Conference Committee: Report and Charter E (EDW from Literature) Agenda Item: Consider requests that the chapter titled "The Doctor's Opinion" in the book Alcoholics Anonymous be returned to page one, as it was in the First Edition. Historical Context: Why is it on the agenda? This is a new request, that upon the creation of a Fifth Edition of the book, Alcoholics Anonymous, the chapter titled: "The Doctor's Opinion" be returned to page one, as it was in the First Edition, published in 1939. The committee considered the request to restore the original page numbering of the book, Alcoholics Anonymous, by making "The Doctor's Opinion" page one, not "Bill's Story". From the submission: "The Doctor's Opinion" was moved from page one to the Roman Numerals when the Second edition was published. Data suggests that the average reader does not read the Preface and Forwards. Instead, they start on page one. If the suffering alcoholic, without a sponsor or guidance, starts on page one they will miss the only medical explanation of the disease presented in the Text, Alcoholics Anonymous. Back in 1939, when this chapter first appeared, the Foundation was mailing the Big Book out and newcomers were reading it without any guidance. The AA Fellowship saw exponential growth. This content packaging worked. The suffering alcoholic, without a sponsor or guidance, will begin reading The Doctor's Opinion on page one and absorb the only medical evidence presented in the book, Alcoholics Anonymous. Furthermore, readers will be validated with a sense of surety, freedom and well-being in learning that alcoholism is a disease and not a moral failing. What your group might consider: Does your Group support this change? Why or why not? Background information: Former District 10 DCM Dave T. brought forth a motion to his Salem Noontime homegroup on 1/23/2021 asking to return The Doctor's Opinion to page one which was approved with substantial unanimity. The motion was then brought forth to the District 10 Committee Meeting. GSR's were asked to bring the motion back to their home groups for discussion and a vote. On 4/15/2021, all participating groups voted with substantial unanimity in favor of the motion. It was then decided to bring the motion to the Area 43 Assembly for endorsement with a final vote taken on 8/21/2021. Of those in attendance 60% voted in favor of the motion; 67% was needed for Assembly substantial unanimity approval

Alt. DCM: There were 2,829 users total with 1,519 actual users, those being on the site for more than 30 seconds. This is slightly higher than average. The most visited pages were the Meeting Guide, the Virtual Meetings Page, and the Events Page. We did have a spike on the 26th. We continue to have very consistent daily usage. I will be attending the Area 24 Service Weekend in Marshalltown, March 19th & 20th. Lee and I met to divvy up Agenda items and get them delivered. We also met to begin documenting District's past actions. In love and service, Park

Corrections: Hello from Corrections! After our committee meeting. We would like to attend each home group's business meeting and have 5-10 mins of your time. We are wanting to do this to talk to each group about the need for volunteers and answer any questions. If your home group would be so gracious as to let us get on your agenda, we would appreciate it. When your group decides if they would allow us to come and speak to them could you send me an e-mail with the following: 1. Homegroup; 2. Date and time; 3. And let me know if you want us at the beginning or end of the business meeting. Thanks, I really appreciate your time. Vicki

CPC: Good morning District 9. I have placed a call to Ashley V. The executive Director Of Humility Homes and Services. The CPC/PI committee did receive an email response recommending we reach out to the individual supervisors to set up a time to present information and pamphlets at their team staff meetings. This will be a way to be able to serve those individuals that could be in need of information on AA who are experiencing homelessness. At this time we are waiting for a response on dates and times for us to have the opportunity to present. A huge thank you to Angie M., Bettendorf CPC for her help in making those contacts. Angie will be updating individuals she comes in contact with at the shelter letting them know which AA meetings are close in proximity making it easier for them to attend AA meetings. We are always willing to assist anyone in finding AA information and pamphlets and always looking for more humans that would be willing to help serve on this committee, this opens up our opportunities to accommodate dates and times to meet these possible needs. Thank you to the CPC/PI committee for working so hard in always checking your availability and opening your busy schedules in order to be of service. I can be reached at 563-570-5301. Please feel free to text me so I can save your contact name and # to keep you updated on the happenings for CPC/PI. Have a beautiful day, Love and Service, Shawna

Grapevine: Greetings all, Things are still slow on the local grapevine front, but please check out the March grapevine, with several wonderful stories on Emotional Sobriety. Unfortunately, due to some personal family issues, I was not able to connect with former literature chairs as I had hoped. I hope to be able to accomplish that this month as well as get started on my duties as literature chair. I hope to have more to report at the next meeting. In love and service Ronna

Treatment: Greeting District! I was notified by another AA member that Bridging the Gap at Country Oaks started back up 2/20/2022. I am getting the contract information for the contact at Trinity to learn more about how that looks for AA moving forward. At this time, there is no need for additional volunteers there, however treatment will be in need of people willing to connect with people coming out from treatment. I will be compiling a Bridging the Gap list. Please contact the intergroup office to be put on that list. Rosecrance meetings are going well. CADS has been going well. Currently there is a speaker meeting the last Wed of each month to the outpatient group, then an information meeting to another group for 30 minutes-a 10 min speaker meeting, going over the meeting etiquette and types and a Q and A. The Abbey meeting is still going well. Genesis 2N meeting is in the process of starting back up in April. We are still in need of volunteers for that meeting. Here are the requirements to be a volunteer for certain meetings. If you are interested in any of them, please contact intergroup and leave your contact information and I will be happy to follow up with you. If you are looking for service work, there is some available with Treatment :)
