OFFICE MANAGER

Hello everyone, Things are going well in the office. I would like to thank the volunteers who helped while I was out-of-town. I now have volunteers set up for every morning, though you should still check the website or call for hours, as things aren't finalized yet. I would like to thank Gail S. and Desiree K. for answering the phone in the mornings when the office has been closed.

I would like to remind Intergroup reps that all event flyers can be found on our website at www.aquadcities.org for you to print off and take to your groups. You can also pick up copies at the office to take to your groups.

Virtual Meeting called to order by Intergroup chair, Mike C. at 6:01 pm with Serenity Prayer.

Since I am in the office every afternoon now, I would appreciate if people could call the office number in the afternoons instead of my cell phone, as I don't always answer the cell phone when working. I would also appreciate it if you call me about Intergroup business during my working hours if possible, Thanks.

Call counts for March were; 2 12-step, 95 information, 1 Al-Anon and 74 visitors.

Our next business meeting will be May 2 at 6 p.m. on Zoom. In love and service, Lisa W.

TELEPHONE CHAIR

Thank you for allowing me to be of continued service in this position. Phone transfers have been going well on the weekends. Reminders have been getting sent via text on Mondays and Wednesdays.

In looking back over a month, we have the facts that only a few volunteers are missing a phone call. We will continue to keep track of this and will revisit as needed.

Really looking forward to the Intergroup event this weekend, thank you to all who have worked hard for this.

I will be leaving the meeting at 6:35 this evening, I have some prior obligations. In love and service, Jennifer G.

EVENTS

Volunteers needed to help decorate Saturday, 10am. Volunteers needed to help sell raffle tickets. We will sell tickets up until the speaker and announce the winners right after the speaker. If anyone has additional baskets please bring them to the event. Desserts we have so far are cake, cookies, cupcakes, pies, oreo rice crispies, fruit & puppy chow. Tickets sold is up to 237.

Again meal is Chicken Supreme: Chicken sauteed and topped with supreme sauce, House salad with assorted dressing, Baby Red Potatoes, Fresh seasonal vegetables, Rolls w/butter, Regular & decaf coffee, iced tea, or lemonade.

Have chosen readers for the anonymity statement, preamble, steps, & traditions. As well as someone to do the blessing. Thank you, Cassidy G.

Discussion took place about room set up, when desserts should arrive, and other details regarding the event.

NEWSLETTER

I am happy to be starting this role from this month and I look forward to being of service to the AA Community.

OLD BUSINESS

Treasurer position is open; Tom gave a service talk. Al nominated Tom to serve as Intergroup Treasurer, Lisa seconded. Vote was unanimous. Congratulations, Tom!

Discussion took place about the Bridging the Gap position, specifically that it is a district position that is not currently held by anyone. BTG handles requests for AA's to serve as a first point of contact for people leaving treatment or correctional facilities. Randy C. asked to post information regarding the position on the website but since it is not just an Intergroup website, but also owned by District 9 and District 90, approval from the districts is needed. In an effort to move the process quicker and avoid waiting until next month's business meeting, Erica B. made a motion that if Randy C. got approval from District 9 and District 90 that he be allowed to add the information on the aaquadcities.org webpage without needing to wait to vote on it until the May 2 Intergroup business meeting. Motion was seconded by Al B. Motion passed.

NEW BUSINESS

Craig spoke more on the situation with the chaplain at Tyson Foods regarding the Burmese employees who have reached out needing help. He said the ball is rolling and he's meeting with several people this month to start carrying the message. Also searching for AA literature in various languages.

I attended the March service weekend in Marshalltown. Here are some highlights from our delegate. She attended the West Central Regional Service Conference March 3-6th in Minneapolis and saw many Area 24 peeps. She attended her first West Central Regional Delegates Only meeting in person.

A quick update on the SAFETY DOCUMENT (SMF-209) which was removed from the www.aa.org website late January pending a revision. This was due to the Fellowship writing letters to share concern. Initially the revision was to be done in a matter of weeks. We are now 3 months into the year however and it may not be ready until sometime next month. It will go through legal review and the AAWS board will review it at their next board meeting. She leaves for the General Service Conference on 4/22

and attends the Remote Communities Meeting and 'Delegates Only' Meeting on 4/23. Official Conference Opening will take place the morning of 4/24 and conclude 4/30. *(Please sign the card for Mary Ann. Also, Park and I are sending cookies and a Starbucks gift card to her in care of District 9).* Mary Ann said thank you to all who have shared their group conscious with me on the agenda items.

An idea I stole from one of the delegates in our region was to hold sessions via zoom with the delegate to further discuss agenda items. I will be holding 3 one-hour "Coffee with the Delegate" sessions prior to the conference on Thursday evenings from 7-8 pm (Dates will be March 31st, April 7th and April 14th) via zoom. Meeting ID is 879 0027 0381, Password is coffee. I encourage you to attend and share your group conscious on any of the agenda items so I can take that voice along with me to the GSC.

My address while at the GSC will be: Mary Ann Greazel, New York Marriott Brooklyn Bridge, 333 Adams Street Brooklyn, NY 11201. Please ask for prayers while I'm at the conference. I've been continuously shown throughout my recovery that prayer works and I have faith in the spiritual principles we practice in the program of Alcoholics Anonymous. Thank you for allowing me to serve.

Mary Ann Greazel, Marshalltown highlights: Meeting minutes are not out yet, but I will cover a few things and will get the treasurers report as soon as it becomes available. Saturday, we discussed the agenda items and according to our Area 24 it was over in record time. They believe it was because our area is well informed and, the in person's zoom capabilities at the West Central Regional Conference helped to educate people. There was a lot of discussion for corrections: **Agenda Item B** "reconsider use of the term 'person in custody' in our literature". There was a lot of conversation, the consensus was to be in favor or support. **Grapevine Agenda Item D** "discuss the wide ranging impact the preamble change has had in our AA fellowship". The overall consensus was split. A few people talked about no changes seen or impact. Another person said it was written as a historical document. **Literature Agenda Item K** "review progress report regarding the translation of the book *Alcoholics Anonymous 4th edition into plain and simple language*". The group consensus was in favor. It is an accessibility tool only does not replace the Big Book. The first 164 pages, Appendices and The Doctor's Opinion remain the same. **Literature Agenda Item L** "review progress report regarding request to develop study guide workbooks for AA". This seemed to be split between a few discussions; it may show only one way to be involved in AA, it needs to be conference approved, and if you use the workbook is there any reason to go to AA.

Thank you for allowing me to serve, Lee C.

CPC

Good morning District 9 and Happy Sunday.

I am currently in contact with an employee for Humility Homes and Services and still waiting to hear back on a time that we can go share with the staff about AA and or take pamphlets for them to give to their clients.

I did receive a call from District 8 CPC/PI, they are wanting to plan a workshop in or around Cedar Rapids. They are thinking possibly May or June, I have responded back to my weekends that would work and am waiting to hear back from them for a date to hold the workshop. I will update the District when I know more.

Last night I had the opportunity to speak with District 90 who are hoping to be here today to share some ideas and information for us to be of service to a community of individuals who are in need of AA, however there are language and other barriers making this difficult for them. This really was an exciting conversation and I know many of us would be eager to learn more about this service opportunity.

That is all for now, love and service, Shawna.

Archives

Greetings from Archives! **Trivia Question:** In what year did the Cleveland Plain Dealer publish a series of articles about A.A.?

Our committee met on March 26th and discussed different ways to share our Archives with all of District 9. We have decided to take pictures of our archives monthly and submit it to our newsletter with a small tidbit. In addition, we talked about creating a portable archive exhibit to display at local A.A. events. I have ordered 5 archive workbooks for the committee. We are still working with GSR's to collect material for our archives. *What to collect? Have you ever thought about what we should send to the District Archivist?*

The following is a suggested list of materials to consider.

Books	Pamphlets	Locally developed 12th Step work	Newsletters from your area
Directories	Meeting Lists	Photographs	Audio Recordings
News Clippings	Magazine Articles	Correspondence	Minutes of Service Committees

If you want to learn more about archives or join our committee, we will be meeting again on April 16 at 12:15pm, at Central Discussion.

Greetings all and Happy Spring!

April cover story talks of what its like to get back out there after covid. I think we all can agree with the new creation of "hybrid" meetings, our lives have forever changed. This is a wonderful article written by a member who wonders about the new normal and the challenges that lie ahead. There are so many more articles that really hit home, subjects that my home group, as well as district has discussed.

Check out this month and don't forget to listen to the podcast, run by AA members Don and S at aagrapevine.org/podcast.

Literature

Greetings all from your literature chair!

I first off wanted to welcome a new member to my literature team, Mary Beth P. Mary Beth graciously offered to assist me in getting literature up and going again. She will be helping me with literature and I am so grateful! she was able to get in contact with a former literature chair and get caught up on what has been done in the past and what needs to be done in the future. More to come on that...

Lastly, i was able to attend the area business meeting and looking to the future, will be attending the spring conference.

Treatment

Greetings everyone!

I held my first treatment committee meeting on March 6th and although no one attended, it gave me time to organize all that is going on in treatment. I was contacted by a member who is very interested in being on my committee and being more involved in treatment, YAY! I intent to have a treatment committee meeting once a month. **Next meeting will be May 1st at 9:30am, and then at the same time each week, prior to the District Business Meeting.** If you are interested in the committee contact Jaclyn M. or Lisa at Intergroup.

I was also contacted by Country Oaks meetings that have resumed every other Sunday. I am currently making a list of anyone who is interested in being on the *Bridging the Gap* contact list. This is where someone from Country Oaks makes a request to be contacted by an AA member upon their release of treatment, for the purpose of getting connected with AA, and meeting them at a meeting. The sobriety requirement for this is 6 months and you must be actively sponsored.

I also have a flyer that includes all the volunteer opportunities for treatment. There is such a need for people to serve in various capacities. Please contact me or Intergroup for more information or to full fill one of these important service opportunities.

Jaclyn M. District 9 Treatment Chair.
