

Bridging the Gap Volunteer Sign-Up Sheet

(For members willing to be a Temporary Contact)

Bridging the Gap is the hand of Alcoholics Anonymous reaching out to the new member. This is basic 12-Step work. When a newcomer leaves a corrections or treatment facility, the Bridging the Gap program can arrange a temporary contact in their home town. The temporary contact volunteer accompanies them to meetings, introduces them to others in recovery and helps them start their life of sobriety in the outside world. You may sign up for corrections, treatment or both. If you are willing to be a temporary contact, fill out your personal information in the form below. It is suggested that you have at least one year of sobriety to be a temporary contact. Please note if you speak other languages.

It is important to check the appropriate facility for corrections, treatment or both.

I would like to join Bridging the Gap and be a Temporary Contact. I understand the importance of making contact with people in the A.A. program and of going to a meeting on the day of their release.
