- **DCM:** Randy C. Hello Everyone, I see that GSO has updated the New GSR's and Addresses for Geneseo, Last Chance and Camden, so has any of you received the GSR kit and are you getting emails from Area ? Henry Co. Change GSR's ? I did get another Agenda for the 2023 General Service Conference, there was a lot removed, however, they didn't remove it, they just made a note that this item was not submitted so it's kind of confusing, I am removing the items and will send that out this weekend. This is not the final Agenda so some more may be removed or possibly added, but as Area send it to me, I will get it to you, so you have time to bring it to your group. In the past we have only received the Final Agenda and there are so many items on it, it's really not enough time to get it discussed before the Conference. They are doing it different this year by trying to send out Agenda updates. I think this will help once they figure out how to make it less confusing. In Love and Service Randy C.
